

Tutoriels sur la programmation avec et sans capteurs :

Dans le premier onglet du logiciel EV3 :

The image shows a screenshot of the EV3 software interface. At the top, there is a menu bar with three items: "Déplacement en ligne droite", "Déplacement selon une courbe\*", and "Déplacement char". A red arrow labeled "1" points to the first item. Below the menu bar is a 3D rendering of the EV3 robot. To the left of the robot is a vertical menu with several icons and labels: "Ensemble des m...", "Démarrage rapide", "Fichier", and "Robot Educator". A red circle labeled "2" is next to the "Robot Educator" icon. A grey arrow labeled "3" points from the "Bases" menu item to the right. On the right side, a red box labeled "4" encloses a list of programming blocks: "Configuration des blocs", "Déplacement en ligne dr..." (highlighted with a blue border), "Déplacement selon une c...", "Déplacement char", and "Déplacement d'un objet". The text "2/9" is visible to the right of the highlighted block. At the bottom of the interface, there is a vertical list of menu items: "Perfectionnement", "Matériel", "Journalisation des données", "Outils", and "Instructions de montage".
